

Chorus Permission Form – 2018-2019
Fuguitt Elementary School

I am delighted to inform you that your child has shown an interest in chorus! There is no fee required, and rehearsals are during the normal school day. The rehearsal schedule is as follows:

4th Grade Chorus meets on Wednesdays from 9:40-10:25 am.

5th Grade Chorus meets on Wednesdays from 8:50-9:35 am.

Chorus meets during P.E. time so that students will not be missing an academic subject. To continue with chorus, however, students must maintain passing grades and exhibit appropriate conduct in all school activities. If those requirements are not met, the student will simply rejoin his or her class with their P.E. block. The form below is needed to have written permission for your child to attend chorus instead of his/her P.E. block. **Students may not participate in chorus without a signed form.**

We will have performances primarily during the school day, as part of school assemblies, our Gator Gab morning news show, and other events in the life of our school. We will have other during- and after-school chorus events, and we will inform you when these events are scheduled.

I am looking forward to having a strong, enthusiastic group of choristers this year! I am thrilled to have your child in Chorus!

Sincerely,
Mrs. Michelle Thomas
Music Teacher
